to trace the historical roots of the skepticism that often confronts rape victims and the misguided assumptions that can lead some detectives astray.

A False Report: The chilling true story of the woman ...

Harrowing and eye-opening, Unbelievable (originally published as A False Report) strings together the stories of victims of a serial rapist, focusing on one young woman, Marie, whose rape allegation was dismissed after she was more or less forced to recant her accusation. When she went back to the police station to insist that she had in fact been raped, she was charged with false reporting.
