This is me | Alzheimer's Society

An accessible information text perfectly pitched for KS1. This book answers questions about how the hearts and lungs work and what their function is in the human body. Complete with pictures, diagrams and suggestions for activities and investigations, this is a great book to support the human body science topic in KS1.

Childminder \*All about me/child record forms permissions ...

My life and me provides a much-needed template to help children who no longer live with their family of origin to develop and record an accurate knowledge of their past and their family. Once completed, the book will provide them with a permanent record which they – and with their permission, the adults caring for them – can refer to at any time and which the child can carry with them through life.
