In 2018, researchers at Aalborg University in Denmark reviewed twenty studies drawn from a wider selection and concluded that "engagement in specially designed art activities or arts therapies can...

Art as Medicine - The Epoch Times

Throughout centuries, artists from Francisco Goya to Frida Kahlo have created art for the purpose of healing, unleashing it as a tool for gratitude, compassion, love, and solidarity in crises of health—both personal and collective. The expressionist artist Edvard Munch painted his way through the Spanish Flu pandemic of 1918.

The Arts and Medicine | JAMA Network

Introducing The art of medicine Most of the pages of The Lancet are naturally devoted to scientific research, the technical underpinning and engine of medical progress. But medicine is influenced by a host of factors that have little to do with science. It is a socially and culturally embedded dynamic process.
