So, let's start with the facts. On Tuesday, Interior Secretary David Bernhardt tweeted a video touting the Trump administration's "historic feats for conservation." The same video was also posted on the department's Instagram page. Feel free to take a gander, I'll wait:

Interior Department Trump Propaganda Video May Have Broken Law

In contrast, state law in Tennessee requires that property owners within historic districts follow a strict set of guidelines, from the U.S. Department of Interior, when altering their properties. Though, according to the National Historic Preservation Act of 1966, all states must have a State Historic Preservation Office, not all states must have a "state historic district" designation.
