## Modern Druidism or Druidry - Learn Religions

The druid (occasionally druidess for females) is a shapeshifting hybrid class available to the night elf, worgen, tauren (including Highmountain), troll (including Zandalari), and Kul Tiran races. Druids are able to perform each of the three group roles (tanking, healing, and dealing damage) by utilizing their shapeshift forms.

Early in the first century B.C. a Greek philosopher named Posidonius began an ambitious and dangerous journey into the little-known lands of the Celts. A man of great intellectual curiosity and considerable daring, Posidonius traveled from his home on the island of Rhodes to Rome, the capital of the expanding empire that had begun to dominate the Mediterranean. From there Posidonius planned to investigate for himself the mysterious Celts, reputed to be cannibals and savages. His journey would be one of the great adventures of the ancient world. Posidonius journeyed deep into the heart of the Celtic lands in Gaul. There he discovered that the Celts were not barbarians but a sophisticated people who studied the stars, composed beautiful poetry, and venerated a priestly caste known as the Druids. Celtic warriors painted their bodies, wore pants, and decapitated their foes. Posidonius was amazed at the Celtic women, who enjoyed greater freedoms than the women of Rome, and was astonished to discover that women could even become Druids. Posidonius returned home and wrote a book about his travels among the Celts, which became one of the most popular books of ancient times. His work influenced Julius Caesar, who would eventually conquer the people of Gaul and bring the Celts into the Roman Empire, ending forever their ancient way of life. Thanks to Posidonius, who could not have known that he was recording a way of life soon to disappear, we have an objective,

eyewitness account of the lives and customs of the ancient Celts.

A guide to the history and practices of the Druids and the Celtic faith • Reconstructs the Druidic faith from surviving remnants, parallels with other Indo-European traditions, and dedicated study of scholarly sources

- Details magical rites and ceremonies, methods for consecrating an outdoor temple, and customs for celebrating important festivals such as Beltaine and Samhain
- Discusses rules for firecraft, making offerings to deities and spirits, and the ancient Coligny calendar, including the names of the months in old Gaulish

Druids and their magic, lore, and rituals have fascinated all those who encounter them, from the ancient Greeks and Romans onward. Even today, the mere mention of their name evokes pictures of standing stones, mistletoe, golden sickles, white-robed priests, and powerful sorcerers. But were they really as we picture them? Drawing on comparative mythology and linguistics, archaeological evidence, and etymology, Teresa Cross offers readers a comprehensive course in the history and development of the Celtic spiritual tradition and its lore, reconstructing the Druidic faith from the remnants that have survived and dedicated study of scholarly sources. She also reveals parallels with other Indo-European traditions, such as the similarities between Celtic and Vedic Hindu beliefs and practices. She chronicles the ethics and spiritual teachings of Druidism and the Celtic faith and examines what happened to these beliefs during centuries of Christianization. Moving from history to practice, Cross details magical rites and ceremonies as practiced by modern-day followers of Druidactos. She explores the structure of the Toutha, which roughly corresponds to “tribe,” methods for consecrating a nemeton, the outdoor temple that offers the optimum sacred space for the meeting of heaven and earth, and the rites and customs associated with important festivals such as Beltaine and Samhain. She also explores the rules of firecraft, the sacred art of giving to the cosmos, making offerings to deities and spirits, sacred food and beverages, and the ancient Coligny calendar, including the

names of the months in old Gaulish. Offering an authentic handbook for starting your own Celtic group led by Druids, Cross reveals the meanings and metaphysics behind the Celtic and Druidic customs and traditions, reuniting the fragmentary remains of long-lost Druid culture with the still-living practices of the Celtic faith.

In this compelling and highly reliable study of the Druids, respected Celtic scholar Peter Berresford Ellis sifts through the historical evidence and, with reference to the latest archaeological and etymological findings, gives the first authentic account of who the mysterious Druids were and what role they played in Celtic society. The Druids emerge as the intellectual caste of ancient Celtic society. They were the doctors, the lawyers, the ambassadors, the advisers to kings. They also had a religious function. Ellis describes the special Druidic training, their philosophy, their belief in auguries, and their intriguing origins. He also shows that the current "New Age" image of the Druids as benevolent wizards comes from a woefully inadequate interpretation of the facts.

Taken in by the chief druid of the Carnutes in Gaul, the Celt orphan Ainvar learns to master the druid mysteries of thought, healing, and magic, and discovers his destiny lies with Vercingetorix, the warrior king. Reprint. 25,000 first printing.

An exploration into the beliefs and origins of the Druids, this book examines the role the Druids may have played in the story of King Arthur and the founding of Britain. It explains how the Druids originated in eastern Europe around 850 B.C., bringing to early Britain a cult of an underworld deity, a belief in reincarnation, and a keen interest in astronomy. The work concludes that Arthur was originally a Druid cult

## Read PDF Druids

figure and that the descendants of the Druids may have founded the Anglo-Saxon kingdom of Wessex. The research draws upon a number of sources, including medieval Welsh tales, the archaeology of Stonehenge 's Salisbury Plain, the legends surrounding the founding of Britain, the cult of the Thracian Horseman, the oracle of Dodona, popular Arthurian mythology, and the basic principles of prehistoric astronomy.

Druidism was the religion of the Celts. The richest source of information about the druids is the vernacular material from Ireland and Wales. The author's familiarity with the gaelic texts strips away modern myths about the Druids.

The first and only Druidic book of spells, rituals, and practice. The Druid Magic Handbook is the first manual of magical practice in Druidry, one of the fastest growing branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets The Druid Magic Handbook apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike! This is the first manual of Druidic magical practice ever, replete with spell work and rituals.

First published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

The Druids have been known and discussed for over 2,000 years; few figures flit so elusively through history. Enigmatic and puzzling, the lack of knowledge about them has resulted in a wide spectrum of interpretations.

## Read PDF Druids

Barry Cunliffe examines their origins, the evidence for their beliefs and practices, and how we interpret them today.

Druidism evolved out of the tribal cultures of Britain, Ireland, and western France over 2000 years ago. Druidry's appeal lies in its focus on a reverence for the natural world. This book explains the practical value of following Druidism, and examines its core beliefs and relevance to the contemporary issues.
