English for Maritime -  
Career-Aligned Courses  
- Voxy

The first official attempt from IMO to create a common working language in the maritime industry can be dated back to 1973 when the Maritime Safety Committee agreed that English should be used for navigational purposes

# Download File PDF English For

when needed. As a result of this, the Standard Marine Navigational

Vocabulary was adopted in 1977. The following years saw a lot of work by the committees, and the Assembly finally adopted the SMCP in 2001.
