Ethical Issues in Modern Medicine: Contemporary Readings ...

When pandemics and other widespread medical emergencies do overwhelm the capacity of medical facilities, even starker ethical questions arise. Healthcare professionals, who are themselves at risk of infection, may be forced to decide which patients should receive treatment or access to lifesaving equipment and treatment when need exceeds capacity.

Staff View: Ethical issues in
modern medicine

In the past 60 years, modern
medical ethics has reshaped
medical practice in ways that many
doctors may not even realize, and
these changes have generally been
for the better. In the 1930s,...
