**Amazon.co.uk: fire-rated led downlights**  
Fire Rated Downlights Toolstation has an extensive range of lighting that will illuminate your home, including the popular variation of ceiling lights and downlights. Downlights are a modern favourite that are fitted into the ceiling to give a seamless look to your bathroom, kitchen or living area.

**Fire Rated LED Ceiling Downlights at Toolstation**  
Fire rated downlights restore the natural fire integrity of a ceiling. They are available as GU10 downlights or fully integrated LED versions. GU10 downlights have replaceable lamps and integrated LED downlights have the LED light source built into them. If in doubt, install fire rated downlights anyway, they cost slightly more but are safer and provide peace of mind.

**Fire Rated Downlights | High Quality | Downlights Direct™**  
The NITRO is a dimmable fire-rated SMD LED downlight. Fire-rated to 30, 60 and 90 minutes, it has an IP65 rating and a 4W SMD LED module that provides a light output of 500 lumens. Compact in size but very powerful, the Nitro offers quick, screwless installation thanks to its four-way push fit terminal block.

**Fire Rated Downlights at Low Trade Prices | National...**  
Fire Rated LED Downlights. Our new Fire Rated Downlights are available in Chrome, Nickel, and White finish. With 3000K, 4000K, 6400K and CCT options, these fire secure downlights are an efficient replacement for traditional downlight fittings. V-Tac's downlight fittings are built with Aluminium alloy and iron for durability. Products Features: • Innumerable styles & elegant appearance.

**Fire Rated LED Downlights | Dimmable LED Down Lights...**  
An IP66 fire rated downlight, using Circuit On Board technology to produce outstanding results. Ledlite fire rated downlights are multi-purpose units that offer brilliant light levels, peace of mind, and a fast return on investment. Using just 12 Watts of power the light produced and beam area is larger than a conventional 50W halogen. Ideal for 30, 60, and 90min ceilings, our downlights meet building regulations with dust and water ingress protection as standard.

**Fire Rated Downlights | Simple Lighting**  
Fire Rated Downlights. Fitting fire-rate downlights give your customers peace of mind that any fire will spread more slowly between floors. While it's not an essential requirement, it's highly recommended, and with costs from just a few pounds, it's a low price to pay for added safety and peace of mind. We've got fire-rated downlights to suit every budget from reliable makers, including Daxlite and Forum.
