The impact of the frontier upon American literature has been treated in varying detail by Lucy Lock wood Hazard in The Frontier in American Literature (1927), Henry Nash Smith in Virgin Land (1950), Vernon L. Parrington in Main Cur- rents in American Thought (1927-30), and by a host of lesser critics.

The Frontier in American Literature

The frontier myth or myth of the West is one of the influential myths in American culture. The frontier is the concept of a place that exists at the edge of a civilization, particularly during a period of expansion. The American frontier occurred throughout the 17th to 20th centuries as European Americans colonized and expanded across North America. This period of time became romanticized and idealized in literature and art to form a myth. Richard Slotkin, a prominent scholar on the subject, def

Frontier American Literature And The American West

As a reality for some and as a symbol for others, the frontier became a vital factor in shaping American life and American character. The first frontier. Thus understood, the American colonies along the Atlantic coast were Europe's frontier, and their gradual drift away from European patterns was the first manifestation of frontier influence. They began the conquest of the wilderness; they took the first steps in crossing the

continent; they became Americans.

American frontier | Definition, Significance, & Maps ...

The American frontier (also known as the Wild West or the Old West) includes the geography, history, folklore, and cultural expression of life in the forward wave of American expansion that began with European colonial settlements in the early 17th century and ended with the admission of the last few territories as states in 1912. This era of massive migration and settlement was particularly ...

FRONTIERS AND BORDERS IN AMERICAN LITERATURE

This collection of thirteen essays on American literature and culture defines and examines a gothic tradition in frontier writing. As the imaginative border between the known and the unknown, the frontier subject has provided a bridge to gothic domains and has been used by writers from every period in American history to explore social, ethnic, and gender frontiers, as well as frontiers of art and language.

Frontier Gothic: Terror and Wonder at the Frontier in ...

Introduction: The Frontier Opens. In *The Epic of America*, published in 1931, James Truslow Adams notes the early days of the American dream, as created by the wild frontier: Two of the strongest influences in our life, religion and the frontier, made in our formative periods for a limited and intolerant spiritual life.
