George Michael is an enigma. While he is one of the most open and vocal pop superstars on the planet, he also fiercely protective of his privacy. From the formation of Wham! In 1981 he immediately found fame and fortune beyond his wildest dreams. His music formed the soundtrack to the 1980s and he achieved all of this despite growing up in a dysfunctional family where his father openly proclaimed that George had no talent. Wham! split in 1986 but Michael went on to greater things as a solo artist. Along the way he has been embroiled in several controversies, but in refreshing contrast to other superstars, he has been happy to address his issues head-on in the media. Rob Jovanovic's biography tackles all the issues that formed George Michael and his place as a cultural icon. It also, for the first time, analyses Michael's musical output and groundbreaking videos.

In Here, George Washington Was Born, Seth C. Bruggeman examines the history of commemoration in the United States by focusing on the George Washington Birthplace National Monument in Virginia's Northern Neck, where contests of public memory have unfolded with particular vigor for nearly eighty years. Washington left the birthplace with his family at a young age and rarely returned. The house burned in 1779 and would likely have passed from memory but for George Washington Parke Custis, who erected a stone marker on the site in 1815, creating the first birthplace monument in America. Both Virginia and the U.S. War Department later commemorated the site, but neither matched the work of a Virginia ladies association that in 1923 resolved to build a replica of the home. The National Park Service permitted construction of the "replica house" until a shocking archeological discovery sparked protracted battles between the two organizations over the building's appearance, purpose, and claims to historical authenticity. Bruggeman sifts through years of correspondence, superintendent logs, and other park records to reconstruct delicate negotiations of power among a host of often unexpected claimants on Washington's memory. By paying close attention to costumes, furnishings, and other material culture, he reveals the centrality of race and gender in the construction of Washington's public memory and reminds us that national parks have not always welcomed all Americans. What's more, Bruggeman offers the story of Washington's birthplace as a cautionary tale about the perils and possibilities of public history by asking why we care about famous birthplaces at all.

When Eugenie Davies is killed by a driver on a quiet London street, her death is clearly no accident. Someone struck her with a car and then deliberately ran over her body before driving off, leaving nothing behind but questions. What brought Eugenie Davies to London on a rainy autumn night? Why was she carrying the name of the man who found her body? Who among the many acquaintances in her complicated and tragic life could have wanted her dead? And could her murder have some connection to a twenty-eight-year-old musical wunderkind, a virtuoso violinist who several months earlier suddenly and inexplicably lost the ability to play a single note? For Detective Inspector Thomas Lynley, whose own domestic life is about to change radically, these questions are only the first in an investigation that leads him to walk a fine line between personal loyalty and professional honor. Assigned to the case by his superior, Superintendent Malcolm Webberly, Lynley learns that Webberly's first murder investigation as a DI over twenty years ago involved Eugenie Davies and a sensational criminal trial. Yet what is truly damaging is what Webberly already knows and no doubt wants Lynley to keep concealed. Now the pressure is on Lynley to find Eugenie Davies' killer. For not only is he putting his own career into jeopardy, but he is also attempting to safeguard the careers of his longtime partners Barbara Havers and Winston Nkata. Together, they must untangle the dark secrets and darker passions of a family whose history conceals the truth behind a horrific crime.
