For the first X-Files novel that was not based on an existing plot-line, Goblins was unfortunately pretty weak. The plot played through like a mediocre Monster of the Week episode, as Mulder and Scully are sent to investigate a couple of murders perpetrated by an invisible assassin. The result is, unfortunately, incredibly messy.

Published in 1994, Goblins was the very first novel based on The X-Files television series, which at that time was relatively new, original, and growing in popularity. The action, in this case, takes place not long after the X-Files had been shut down and then reopened by the FBI (which basically puts it somewhere in the second season time period).

The idea behind Goblins is something I could easily have seen in an episode of the X Files in the early years of its run, which was when this book was written. Now for the bad news. The writing in some parts is pretty rough. For some reason Charles Grant felt the need to refer to Scully as Dana every so often and it seemed awkward and not quite right.

Amazon.com: Customer reviews: Goblins (The X-Files, Bk. 1)

Typical X-Files book that is true to the series. I enjoyed it and will try some of Grant's other works. Decent X-Files books are hard to come by unless you want a graphic novel (comic book) and I appreciated this one.

Amazon.com: Customer reviews: X-files: Goblins (The X-Files)

It pretends to be 'X Files' but is ruined (Ruins my fav X file book) by vulgar swearing, almost 18 certificate. If that's your thing, like murder, crime books, it would be more readable. Sometimes the X - files is a bit sombre anyway. Someone with a thicker skin would see past this and maybe enjoy the paranormal part later on. That's their opinion.

24 Hour Comics Day 24 Hour Comics Day is a challenge: one cartoonist tries to create a full 24 page comic, normally months of work, in 24 straight hours. Scott McCloud originally came up with the challenge for himself and Stephen R. Bissette as a creative exercise. These comics were originally produced by Lou Graziani during past 24 Hour Comics Day events, and have since been updated for digital publication. WHIRLWIND A young girl gets the chance of a lifetime to become a super hero! But at the same time, across town a retired gangster wants one last big score. Their parallel paths will cross in a WHIRLWIND of action and drama! This comic was originally drawn as part of the 24 Hour Comics Day challenge.

Serial killers come in all shapes and sizes, but this one is particularly puzzling.There's no pattern to the mutilated bodies that have been showing up in Albuquerque: both sexes, all races, ages, ethnic groups. There is no evidence of rape or ritual. Only one thing connects the victims. They were the victims of a natural disaster. One of the most unnatural natural disasters imaginable, leading to a most painful, most certain and most hideous death.... Mulder and Scully, FBI: the agency maverick and the female agent assigned to keep him in line. Their job: investigate the eerie unsolved mysteries the Bureau wants handled quietly, but quickly, before the public finds out what's really out there. And panics. The cases filed under "X."

In the most ambitious and exciting X-Files adventure to date, Mulder and Scully fly to the Yucatan jungle to investigate a missing team of archaeologists. Their exploration leads to a strange electronic signal coming from beneath ancient ruins -- a signal aimed upward, at the stars....

Fatal Flesh When moonlighting medical students "harvesting" skin from a corpse for temporary use accidentally take it from the wrong donor, the results are catastrophic: a New York City hospital ward is destroyed in a bloodbath, and an elderly professor, admitted for a routine skin graft, is suddenly the city's most wanted fugitive. Agents Fox Mulder and Dana Scully are the only ones to suspect something more ominous than a medical procedure gone awry. As the FBI agents investigating the "X-Files"--strange and inexplicable cases the Bureau wants to keep hidden--Mulder and Scully are determined to track down the forces they suspect are behind the murderer. While the police hunt the fleeing professor, Mulder and Scully track the skin that was grafted onto him, a trail that leads from the morgue to the headquarters of a cutting-edge biotech company to the jungles of Thailand. Together they begin to uncover an unholy and totally deniable alliance between a battle-trained plastic surgeon, international politicians, and a legendary Thai monster known as the "Skin-Eater."

A new season, and the Grim Reaper smiles in anticipation of the harvest to come. No one is safe, no one can be trusted. The lovestruck office boy, the beautiful little girl clutching a posy of violets, the faceless motorcycle gang all seem harmless enough, and yet, Nameless fears stir uneasily, terror bubbles to the surface, and the nightmare is unleashed. Enter the world of Oxrun Station, where evil lurks in unexpected corners, where nerves are stretched to breaking point, where every season brings a nightmare more blood-curdling than the last. Four novellas, each taking as its theme one of the seasons of the year, recount the weird happenings that take place in the fantasy town of Oxrun Station.

A fox in a leg-hold trap may gnaw off its own foot to escape...rats in a too-small cage will devour the weakest members of the pack to ensure survival of the strongest...a group of humans, trapped like animals, will sacrifice anything—or anyone—to gain their freedom.... Imagine Agatha Christie ' s And Then There Were None: a small group of people trapped in an isolated place, disappearing one by one, prey to all the stresses and strains of being hunted. Add Charles Grant ' s proven skill with suspense and his ability to fathom and display the inner workings of the human heart and mind. The result is Raven, a gripping, fast-paced thriller that begins in a familiar classic American setting—a roadside motel and restaurant—and drives, without pause, to an unexpected and startling conclusion. A late-winter blizzard has closed the road beside Maclaren ' s Food and Lodging. The staff of three—Neil Maclaren, former cop turned motel-keeper; Julia Sanders, as capable handling trouble as she is mixing drinks; Willie Ennin, whose fondness for knives makes him a superb cook—prepare to entertain their few customers through a long winter night, unaware that they are being watched. The customers are a motley crew. Three locals: Nester Brandt, the town ' s greying curmudgeon; and a pair of star-crossed lovers, Ken Hawick and Trish Avery. Three strangers: Hugh Davies, fast-rising star of all-night talk-radio; and Ceil and Mandy, two women he claims are his sisters. They all have secrets, secrets which have attracted the watcher. Nester Brandt is the first to die, gunned down outside the restaurant by a silent man in a long black coat, a man whose pitiless gaze is as fixed and glittering as a raven ' s. Nester ' s death is only the beginning as this gathering of strangers becomes first prey, then hunters. They have learned too much about each other in a single snow-filled night. Like rats caught in a trap...

When FBI agents Fox Mulder and Dana Scully pursue a serial killer, they discover that all evidence points to a murderer who has been squeezing through impossibly small air ducts and chimneys since 1903.
