~~In part 3 of the speaking test you have a two-way discussion with the examiner (though you will still be expected to do most of the talking). This is the part where the examiner will really be able to test your ability. If you do very well on this part of the test and give thoughtful extended answers that are directly addressing the question, it will show that you have a high band level (though of course your grammar will need to be good too in order to do very well!).~~
