Edition! God is love.
Crazy, relentless, all-
powerful love. Have
you ever wondered if
we're missing it? It's
crazy, if you think about
it. The God of the
universe—the Creator of
nitrogen and pine
needles, galaxies and E-
minor—loves us with a
radical, unconditional,
self-sacrificing love.

And what is our typical

response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even

radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same.
