~~Chapter 5 – Case Problem Set B. Tom Acadvipski operates the Mucho Macho Hair Restoration Clinic in Cranium, Arizona. His son, Ollie, recently completed a course in managerial economics and is eager to apply his skills to the family business. Mucho Macho is one of many clinics around the country that are franchised by Hairball International, so Ollie contacts the regional Hairball representative and asks for cross-sectional data on the demand for hair restoration services.~~
