Anita Topaz, Queen of the Bodice Rippers, is deliberately a woman of mystery. But pressure is mounting for Anita to reveal herself to her clamoring public. It’s scrutiny that writer Paris Ellison can’t allow, especially since the glamorous “Anita” is a work of pure fiction. Lady Diana Beckinsale excels at disappearing into a good role. Especially if that role gets her close to certain objects she desires. When Diana proposes the perfect solution to Paris’s predicament, Paris is less than enthusiastic. She can’t let someone as unsettling and observant as Diana get too close. But Diana is persistent. After all, if she and the handsome, secretive Paris both get what they want out of an unorthodox arrangement, then it’s a win-win for them both. My Lady Lipstick is high stakes on a merry-go-round of lies—it’s all fun and games until somebody loses her heart.

Arun is a bestselling author, and the heartthrob of thousands of readers. While on a book promotion tour, he is injured and agrees to call a masseuse. Little did he know that the masseuse would turn out to be someone with a secret! Arun sees a story in her, and in digging deeper, is amazed to discover her strength of character. Even though Lalita is a young survivor of human trafficking, she has unmatched determination. A single encounter with her makes Arun take decisions that he had never even thought of. He is willing to risk everything for her, his own life too. But the more he tries to help her, the deeper he drowns in the swamp. Will two broken people be able to heal each other? Will society ever accept a girl from the forbidden alleys of the city? The Girl in the Red Lipstick is a charming story of friendship, life and finding love where we least expect to.

A fabulous debut novel of sensual suspense and one woman's erotic liberation in Victorian England. Lady Georgiana Vernon, daughter of the Earl of Eastley, and Jeremy Staunton, youngest son of a viscount, have an unconventional relationship—at least for the upper crust in 1895. They meet publicly as friends, and privately as lovers. It's an arrangement that allows Georgiana the sexual freedom she desires—and continues to indulge in—as a guest at Penfield, where the most sought-after names in the country gather for Lord Laughlin's annual masquerade ball. Then Georgiana initiates a torrid affair with the sexy landscape architect working at Penfield. She sees it as nothing more than a harmless but pleasurable indulgence. But when the relationship is discovered she becomes the target of increasingly malicious threats. During the night of the masquerade ball, these intimidations will come to a dangerous head, as the men in Georgiana's life reveal their own secret desires.

The stains of tobacco and the pungent scent don't choke me anymore. I know where I am and yet I feel trapped. Sharing a bed with men I've never seen before is a routine now. The scars on my skin scream of pain and yet I smile with an attempt to please him. Even though I do it every day, it scares me every single time. With each time a part of me breaks. And there she stands, making my life even more miserable. That expensive red lipstick and a joint between her lips. All I know is, that I'm not afraid of the pain. But I do fear that I will get used to this someday. Is there a way out? Is someone listening?

That body of hers wasn’t one I could forget. So fat that was all I knew about her. But even if I had known all about her, what she really was, it wouldn’t have changed anything. Because it had already started when she walked into my room in her bathing suit. It had started, all right, and it was a smoldering fire inside me. And in her own sweet time she came for me.

Sarah MacNeil is about to put her heart in the hands of a beautiful woman who could be her salvation...or her ruin! Surfing high on the wave of lesbian chic, author/screenwriter Melissa Hartley is deliciously dangerous. She knows the right people, goes to all the right parties, says all the right things. When she meets the quiet, elegant Sarah MacNeil at a hotel bar, Melissa makes all the right moves to get Sarah to her bed, then makes all the right promises to convince the usually cautious young attorney to come live with her in San Francisco. Totally captivated for the first time in her life, Sarah surrenders herself completely. Blinded by the glow of Melissa's white-hot sensuality, is Sarah setting herself up for a total meltdown?

"A best memoir of 2020" —BookPage The darkly funny memoir of Sarah Ramey’s years-long battle with a mysterious illness that doctors thought was all in her head—but wasn’t. A revelation and an inspiration for millions of women whose legitimate health complaints are ignored. In her harrowing, defiant, and unforgettable memoir, Sarah Ramey recounts the decade-long saga of how a seemingly minor illness in her senior year of college turned into a prolonged and elusive condition that destroyed her health but that doctors couldn't diagnose or treat. Worse, as they failed to cure her, they hinted that her devastating symptoms were psychological. The Lady's Handbook for Her Mysterious Illness is a memoir with a mission: to help the millions of (mostly) women who suffer from unnamed or misunderstood conditions--autoimmune illnesses, fibromyalgia and chronic fatigue syndrome, chronic Lyme disease, chronic pain, and many more. Ramey's pursuit of a diagnosis and cure for her own mysterious illness becomes a page-turning medical mystery that reveals a new understanding of today's chronic illnesses as ecological in nature, driven by modern changes to the basic foundations of health, from the quality of our sleep, diet, and social connections to the state of our microbiomes. Her book will open eyes, change lives, and, ultimately, change medicine.

Dyman was once a peaceful Australian community until rocked by murder, organized crime, and corruption. Susan Mayfield, daughter of the late Mayor Brody Mayfi eld, struggles to move beyond the untimely death of her father while she documents the changes happening in her small town with the help of its close-knit residents. As the local economy once again thrives, Susan collects memoriesmemories of past days and yearswhich she will soon document in her column published with Faculty Press. Despite the past being past, Susan suspects Dyman is still infiltrated by criminals and dirty money, and she hopes to reveal all. Soon, though, her journalistic goals come to a shuddering halt with the appearance of her dead fathers ghost. Susans mother Bronwyn struggles to cope with her late husbands spectre as the two women seek some explanation as to why Brody would visit his family from beyond the grave. Is it possible Susans investigations have

## Where To Download My Lady Lipstick

put her in the path of deadly danger?

Cursing the familial obligation that sent her into the path of a blizzard, Jackie Frakes is deeply grateful for rescue on a snow-choked mountain road, even if her rescuer's reception is as cold as the landscape. Leah Beck spends her days in a twilight of grief, actively avoiding all reminders of her former life as an artist whose work was exhibited nationwide. A houseguest for Thanksgiving is disruptive and painful, and the very last thing she wanted. The snowbound weekend leaves them with an unforgettable, undeniable attraction that challenges both of their personal and professional commitments. Leah turns to her art with renewed inspiration while Jackie seizes control of her future. But will these new paths lead back to each other? Or will that stunning weekend together be their last? One of Karin Kallmaker's most enduring, popular novels, this Painted Moon 25th Anniversary Edition features a new foreword by the author and additional next chapters for Jackie and Leah with a previously unpublished story.

A tour of the female body by the best-selling behaviorist author of Manwatching places a particular emphasis on the evolutionary functions of various physiological traits, in a volume that also addresses societal perceptions of the ideal female form. Reprint. 20,000 first printing.
