I loved the third edition of Lovelace Lane. This story concentrates on Evie, who returns to Lovelace Lane to stay at her parents house before her wedding to Angus. The usual stresses on the run up to a wedding, including Angus having to relocate to China stresses Evie, especially as Morag, her future mother-in-law is making her life difficult too.

I was so thrilled to be back on Lovelace Lane. It felt like being home again with the loveable Characters Alice always manages to create.
