New Penguin Parallel
Text Short Stories in

Online Library New Penguin

Spanish is a new version of an old idea. Edited by John R. King, the book contains ten new stories with the Spanish on the left-hand page and the English mirroring it on the right. The original version, created to cash in on the "Boom", was primarily a Latin-American

Online Library New Penguin

affair, but the new edition is more balanced, with half of the inclusions coming from Spain and the other five from the Americas.
