Philip Red Eagle's personal experience and his narrative gifts blend to make these stories of blood and honor, pain and spiritual renewal as searing as the flash of a hand grenade at night. The first work of Native American fiction to come out of the Vietnam conflict, Red Earth is a unique, powerful and ultimately healing journey. \u0026amp; Joseph Bruchac

"From Red Earth" was hard to put down, but hard to read too. Denise Uwimana's transparency concerning her own spiritual journey is what sets this narrative apart from other accounts of the Rwandan Genocide. In this day of increasing tribalism throughout the Western nations and in the U.S. particularly, this book is a "must-read."

The Salt Path also serves as a reminder that Britain is a land criss-crossed by footpaths and that we take this 140,000-mile national glory for granted at our peril . . . The Salt Path has reminded me to scrape last year's mud from my walking boots and get rambling again. I hope it has the same impact on millions of others.

Salt of the Earth is a fast-paced fiction, and it is surprisingly easy to connect with Jess and Matteo. Jessila Prentiss, a brilliant chemical engineer and student, is on the run from agencies which may or may not be the government or terrorists. Matteo Wu, a stranger to Jess, helps her escape from these radicals.
