In "THE CROSS AND ITS SHADOW," the type and the antitype are placed side by side, with the hope that the reader may thus become better acquainted with the Saviour. It is not the intention of the author of this work to attack any error that may have been taught in regard to the service of the sanctuary, or to arouse any controversy, but simply to present the truth in its clearness. This is a reprint of an important early Advent book, which explains the sanctuary and its services. -
