Spiritual warfare--the battle in the unseen realm--affects believers more than we realize. The enemy works relentlessly to undermine our faith and discourage us from advancing. Ellel Ministries founder Peter Horrobin teaches principles that have helped believers all over the world walk in the freedom they long for. And it begins with knowing all three "players" in this contest of wills: God, me, and the enemy. In this essential book, Horrobin lays a foundation for victorious spiritual warfare through an exploration of God, mankind, and the unseen realm. He equips the saints for battle, helping us accomplish mighty works for the kingdom of God.

After years of speaking and writing bestsellers on the value of having a positive attitude, motivational speaker Zig Ziglar is faced with putting his words into action after a fall leaves him with a head injury. In *Embrace the Struggle*, Ziglar shares a personal account of his accident and offers encouragement through his firsthand experience of overcoming his most difficult challenge. One of the leading stars

in the "positive thinking" movement, Zig Ziglar has made a career out of telling people how to have a positive attitude, no matter what their circumstances are. But when a fall down a stairway onto a marble floor leaves him with a head injury, he is challenged with how to put the principles he'd been speaking about into practice. Ziglar's willingness to be transparent has him back writing and speaking with renewed energy before audiences in the tens of thousands to show that life on life's terms is still well worth living. Embrace the Struggle affirms the validity of the principles Ziglar has held true his entire life and includes not only his account of living positively through difficult circumstances; it also includes heartwarming stories of real people who encouraged him with how they put into practice these vital principles.
