Playing with Monsters was unanticipated. I did not for one minute expect it to be as enjoyable as it was! I am enjoying the Destiny series by the same author but did not appreciate being forced down the rabbit holes of 2 spin off series in order to be able to read and understand what I believe is the final book in the Destiny series.

When everything is on the line, how far will you go to protect those you love? What if the cost of saving them is your soul? Would you pay it? I thought I was prepared for what was coming; that if I made sacrifices, I could win this game. I m no longer afraid of the darkness or the monsters that hide in the shadows. I ve become what I feared most, allowing it in to protect those I loved. Sometimes it takes a monster to win. Sometimes to fight monsters, you have to become one. My only fear is can I come back from it?

Playing with Monsters...coming very soon!!!!My coven has remained hidden in the shadows for centuries.We've avoided the 'real world' altogether; hiding from monstersand other creatures we share this planet with.We found protection in the Colville National Forest, nestled in a town protectedby magical barriers.Our powers are locked by an ancient curse, one meant to protect us from being found.Until now.The past has a way of repeating itself. A new game is beginning. No one is safe.He's coming for me.He's hunting.The monster we've run from for centuries has found us.How far will this deadly game go?How far will I be able to take it, or will he destroy me and everything I care about?Will the one thing I can't live without, be the key to destroying and undoing the past?Or will the past destroy me before I can save the people I love from what I've done.

Sacrifice your soul? Check. Die to protect those you love? Check. Come back as something the world hasn't seen since the dawn of mankind? Check. Make those who hurt me wish the Gods had never created them? I'm still working on this one...Are you ready to play? I'm coming back. I'm more, darker, deadlier, and I'm pissed. Heaven has fallen, Hell has risen and the walls that once protected man from monsters are down. Foe's become friends, enemies become lovers, and this world is thrown into chaos unlike anything it's ever seen before. I'm ready to play now, I'm ready to win. This is the third book in the award winning Playing with Monsters series.Reading order for those who are following the story-line and want the full experience. Gather round close, for I have a secret to tell. Late at night, while everyone is sleeping, dreaming of white knights and fairytales. I'm making friends with the monsters. They call to me, like finds like, right? My biggest secret, I'm the scariest monster I know. I think I'm the bad guy. MFMM Reverse Harem novel with adult themes not recommended for those under 18.

I knew Destiny wasn't done with me. I knew that she was just getting warmed up, but I had no clue just how hard my world was going to come crashing down on me. I had thought that I was going to get my fairytale wedding and marry the man of my dreams. I was wrong. Now, faced with having my world torn asunder and Faery exposed, I have to make choices I never thought I'd have to make. I'm divided between two worlds, and I have to decide just how far I will go to get back what was stolen from me. Old enemies are closing in, new enemies are being revealed, and surprising allies are entering the playing field. War is on the horizon, and it's coming right for us.

Ten creepy monsters met 'neath a gnarled pine. One blew away, And then there were nine. And so the countdown begins . . . A mummy, a witch, a ghost, a werewolf, a vampire, and others all gather, but one by one their crowd diminishes. At last there is only one creepy monster left. But what kind of monster is it? Squeals of laughter are sure to accompany the reading of this book from bestselling illustrator Carey F. Armstrong-Ellis, as 10 creepy monsters set out for fun. Praise for Ten Creepy Monsters "Armstrong-Ellis injects just the right amount of humor into her portrayals of the ghoulish bunch, keeping the tone appropriately light." —Kirkus Reviews "Generously detailed acrylics provide a touch of nefarious charm, while a tender surprise ending should gratify trick-or-treaters." —Publishers Weekly "Fun for Halloween or for counting anytime." —School Library Journal "Armstrong-Ellis' textured images, full of spooky spirit and clever detail, add to the fun. A happy Halloween outing." —Booklist "With rich language and a delightfully dark nighttime palette, this pleasing rhyme begs to be acted out or performed with puppets. The illustrations are appropriately ghoulish." —BookPage "A perfect Halloween read-aloud but a great way to relieve malaise on any day, this picture book also helps young readers learn to count as the monsters fall by the wayside in gruesome fashion." —Reading Today Online "Author/artist Carey F. Armstrong-Ellis clearly had fun crafting this silly, lighthearted Halloween tale of monsters who disappear..." —The Seattle Times "Carey F. Armstrong-Ellis delivers a delightful rhyming lesson in subtraction." —USA Today

While all the large monsters sleep a little monster records their snores for a special project.

One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: "Monsters! Meet here for final test." Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning I Need My Monster and Hey, That's MY Monster! will keep young readers entertained.
