Take your non-dominant hand and hold it above the knob at the base of the shaft. Your dominant hand needs to hold the axe a few inches below the axe head, with your palm facing outward. Hold it firmly but don't tense up. You also need to clear the area so that there's nothing you can trip on mid-swing.

If the ability to swing like a tour pro was easy I guess we would already all be doing that. We would all currently be taking a career break in order to try and gain our tour cards. However, using tour professionals to model our swings on can be a useful training aid in our search to improve as golfers.
