Lyrics to 'Something About The Way  
You Look Tonight' by Elton John.

There was a time I was everything and  
nothing all in one When you found me  
I was feeling like a cloud across the  
sun I need to tell you how you light up  
every second of the day But in the  
moonlight you just shine like a beacon  
on the bay And I can't explain but it's  
something about the way you look  
tonight
