Magician Of The

Magician of the North is the first full-scale biography of this extraordinary man. William George Armstrong was a visionary inventor, engineer and businessman who bestrode the 19th-century world like a colossus, bringing global renown to his great Elswick works on the Tyne, while adding lustre to Britain's imperial might.

William Armstrong: Magician of the North: Amazon.co.uk ...

William Armstrong, Magician of the North. Magician of the North is the gripping, true-life story of a man who has a claim on the title 'inventor of modern living'. Born to a merchant's clerk and a coal-owner's daughter in Regency Newcastle upon Tyne, and with little formal education, William Armstrong would rise through the ranks

to become – through the magic of science – one of the richest and most influential men in Europe.

William Armstrong | Magician of the North

William George Armstrong was a visionary inventor, scientist and businessman who bestrode the 19th-century world like a colossus, bringing global renown to his Elswick works at Newcastle upon Tyne, which employed 25,000 people in the manufacture of hydraulic cranes, ships and armaments. He created Cragside in Northumberland, and planted in its grounds seven million trees; his guests at Cragside included the Shah of Persia, the King of Siam, the Prime Minister of China and two future British ...
