America, the Arctic, Western and Eastern Europe, Pacific cultures, and the British Isles, these 27 stories are gems of the genre--evocatively retold with a touch of original poetry.

Wonder Tales from Around the World by Heather Forest

Check out this great listen on Audible.com. Some folk stories endure generation after generation because - although they are not literal - they resound in truths on a human scale. Folktales remind us of wisdom so elemental it is often lost in the rush of everyday life, so that "sometimes comm...

The stories are all Irish so should have been called Irish Wonder Tales rather than Celtic but that is my only criticism. They are clearly and poetically told and absolutley delightful. Irish myths and folk tales can be chaotic and there are many differnt versions of each tale, she produces a clear narrative connection between all the tales so you enjoy the complexity without getting lost in it.
