To program a Yamaha remote control, look up the model number of the TV or media device on the provided CD or user's manual, press the small Code Set button on the remote control using a pointed object such as a pen, press the applicable device button, and enter the registration code with the number pad. Complete all steps within one minute.

~~How Do You Program a Yamaha Remote Control?~~

To program the codes into the Yamaha remote you need to press the "code set" button using a ball point pen or similar. Then select the input you want to program the code to, then input the code for the device chosen. The transmit light should blink twice if successful or six times if unsuccessful.
